It Does all the Work Perfectly

The Mola Washer will wash your clothes beautifully clean in just a few minutes, and without wear and tear to your clothes whatsoever. The cylinder in a Mola revolves four times and then reverses, thereby causing more agitation, and which is the secret of clean washing.

The wringer swings and locks in any position, making it very convenient in small rooms.

These are only a few of the many features found in the Mola. Let us show you the rest.

SCRIPTURE

Psalm 125

They that trust in the Lord shall be as Mount Zion, which cannot be removed, but abideth for ever.

As the mountains are round about Jerusalem, so the Lord is round about his people from henceforth even for ever.

For the rod of the wicked shall not rest upon the lot of the righteous; Aest the righteous put forth their hands unto iniquity.

Do good, O Lord, unto those that be good, and to them that are upright in their hearts.

As for such as turn aside unto their crooked ways, the Lord shall lead them forth with the workers of iniquity: but the peace shall be upon Israel.
